Mission Statement

SouthTech Academy's core mission is to graduate students prepared for work, higher education, and productive citizenship.

August 2020

Dear Parents, Guardians, and Students,

It is my pleasure to welcome everyone to another year at STA, where we aspire to help all Bulldogs feel connected as members of the SouthTech Family. We strive to challenge each student to grow in his or her abilities, and to become career and college ready.

To avoid discipline issues and ensure productive instructional time, it is imperative that students and parents read this handbook in its entirety. Students, take ownership of your future and apply yourself to your studies with a commitment to success. Families, get involved in your son's or daughter's education and personal development. Become active in the school as a volunteer, as a board member, or by serving on one of the committees that are so vital to every successful school.

At STA, we have excellent instructors who devote themselves to planning activities to engage our students in learning. These professionals utilize research-based best practices and analyze data to determine current skill levels and to set goals for improvement and growth. We believe that all students should graduate from high school prepared for work, higher education, and productive citizenship.

The expectation of SouthTech students is to embrace The Bulldog Way: Be respectful, responsible, and ready to learn. Most importantly, as you embark on your learning adventure, put forth your best efforts—working cohesively with peers, taking pride in our school, and using technology with integrity.

It is truly and honor to have the opportunity to serve as Principal of SouthTech Academy. Beyond this, it is heartwarming to be part of a community in which teachers, students and parents care for each other and strive to build positive relationships that support academic, social, and career-related growth. Please feel free to contact me at (561)369-7072 or at eileen.turenne @pbcharterschools.org.

I look forward to working with you and your families as we “Stay an A....The Bulldog Way!”

In Partnership,

Eileen Turenne
Principal

Attendance Policy

Pursuant to Florida statutes 1003.01 and SouthTech Academy Policy 5.092 all students shall be required to attend school. Florida Statue 1003.24 and SouthTech Academy Attendance Policy 5.092 states that it is the responsibility of parent(s)/guardians(s) to insure their children attend school on a regular basis. "Regular basis", according to statute and policy means attending school every day including every period.

SouthTech Academy operates on a 4x4 block that has 4 grading terms. Any student missing more than 5 days per half credit course or 10 days per full credit course, whether excused or unexcused, will put themselves in peril of not receiving full credit and may jeopardize their continued enrollment at SouthTech Academy.

Pursuant to Florida State Statute 1003.26 and SouthTech Academy **policy 5.09**, the Chief Administrative Officer and Board of SouthTech Academy has the authority to take steps to bring **criminal prosecution** against the parent(s)/guardians(s) of a student that has violated the State of Florida Department of Education, Palm Beach County District School System and SouthTech Academy attendance policies which are the same.

To implement the provisions of state laws and rules requiring School Districts to verify the enrollment and attendance of students for the purpose of granting or denying driving privileges, the names of students who are in violation of the enrollment and attendance requirements for being licensed to drive in the State of Florida will be submitted by the principal or designee to the Department of Highway and Motor Vehicles (DHSMV) with recommendations to suspend such student's driving privileges.

Parents/guardians of students, who need to miss school due to religious holidays, should notify **Student Services Department** in writing prior to the date(s) requested for approval of the student to be excused from school on said day(s).

Students with prior approval via a (Temporary Learning Elsewhere) Field Trip Permission Form STCAI 1571 are allowed 2-1/2 days per year in grades 11 and 12 (for a total of 5 days) to visit colleges. Local colleges (Palm Beach State College, FAU, and Palm Beach Atlantic College) are not included. Proof of visitation must be returned to the **Student Services Department** for the missed days to be excused within 24 hours of the student's return to school.

Excused and Unexcused Absences

The parent(s)/guardians(s) and student understand that Florida State Law requires that all students attend school each day without exception unless there is a legal excuse for being absent.

After 5 days absent per half-credit course and 10 days absent per full-credit course, excused or unexcused, a student may be placed on an attendance contract.

Pursuant to SouthTech Academy Policy 5.09, it is the responsibility of the parent(s)/guardian(s) to justify an absence within **24 hours** of the student's return to school. The justification will be evaluated based on the adopted School Board definition of "excused" absences which are: 1. Student illness, 2. Medical appointment, 3. Death in the family, 4. Religious holidays or services recognized by all members of the faith, 5. Subpoena by law enforcement agency or mandatory court appearance, 6. Other individual student absences beyond the control of the parent or student, as determined and approved by the Principal or Principal's designee.

It is SouthTech Academy and The Palm Beach County School District's policy that the school responds in a timely manner to excused or unexcused absences. To this effect the Palm Beach County School District, through automatic dial, attempts to contact the parent/guardian within 24 hours of a student's absence.

Clinic

The clinic is located on the northwest side of campus, and is staffed by a registered nurse who screens each student who comes into the clinic to determine the seriousness of his /her illness. The clinic is intended for first aid and emergency use only. A student must request permission from their teacher who will contact a student services representative to escort said student to the clinic. Only parents/guardians/formal designees who are **pre-approved** and listed in the **SIS** may sign out and pick-up an ill student via the Main Office. A student under the care of a physician and needing to take medication must clear its use by obtaining written permission from the parent and physician, or other authorized person on the emergency card. Students must secure the **Authorization of Medication** form from the school nurse and have it completed by the physician and parent. Completed forms must be returned to the school nurse. The medication itself should be presented to the nurse in the original container issued from the pharmacy. The school nurse or designee will monitor the administration of the medicine. **The school cannot issue any over-the counter drugs** to any student and can comply only with the above-listed procedure. Parents must notify school administration if a student has a special medical condition or need. If a parent requests that prescription medication be given to their child, a doctor's written authorization and the original prescription containers should provide dosage and storage instructions. Prescriptions will be refilled as needed by the parent. **Students are not allowed to carry any medication on campus at any time.**

Accidents and Injuries

As conditions warrant, students injured on school premises will be evaluated by the school nurse and depending on the severity of the injury they will be taken to the school clinic, or if needed, with the permission of the parent/guardian, transported to an area hospital. In any and all cases, the parent/guardian will be notified. The supervising teacher or staff member will submit an accident report to Mrs. Buchholz within 24 hours.

Emergency Information

The capability to contact parents during emergency situations is essential. Students cannot receive emergency non-life threatening medical care without parental/guardian approval. Parents must fill out an emergency card listing the address and phone numbers where they can be reached during the day. This card must be returned to main office at SouthTech Academy.

Accident Insurance

Applications for accident insurance are available to the students at the beginning of each school year. These forms regarding coverage and benefits can be obtained from the **main office**. The responsibility for arranging insurance and filing claims lies with the student and/or parent/guardian. The insurance does not cover interscholastic sports or its practice sessions. Before students are allowed to compete on a school team, they must show proof of special insurance coverage.

Rules and Procedures for Grading

Grading Period and Report Card Distribution

Report cards are generated every 4-1/2 weeks. The report card will reflect the academic status and attendance for each student. Any student in jeopardy of failing may receive daily or weekly progress reports issued to the parents.

Student Information System (SIS)

Parents will be able to view student grades through the Student Information System (SIS).

General Rules for Grading

Grading shall be based on the quality of work done. A student's attendance, daily preparation and promptness in completing assignments must be consistent and congruent with the grades given. Students are required to make-up all work missed for all absences. A student must complete all work within one day for each day he/she is absent from class, not counting the day of return. In the case of material borrowed from another source, the work submitted must include clear and appropriate attribution. Any student who is apprehended cheating or deliberately plagiarizing will be subject to disciplinary action including a failing grade for work submitted.

Credits

Attendance is crucial to earning credit for courses taken. Florida Statutes mandate a minimum of 120 hours of attendance for one credit to be awarded. On the block schedule utilized by SouthTech Academy, perfect attendance provides 123.0 hours of instruction available to students. Three absences place the student below the required hours of attendance. An alternative to meeting hours-of-attendance requirements is to demonstrate mastery of the course content. Mastery is defined as: (1) passing at least one of the two quarters and, (2) passing the semester final examination or (3) passing both of the quarters. Students may earn one credit per semester for each course successfully completed.
