- 4. Open Public Meetings Act Statement The meeting has been properly noticed.
- 5. Public Presentation: None.
- 6. Approval of the Minutes for the STA/STPA Emergency Governing Board STSC Founding Board Meeting on August 9, 2018:

Motion by: Mrs. Nicolini Second by: Ms. Heinz All in favor. Motion carries.

7. Treasurer's/Financial Report: Mr. Heller reported that the STA/STPA Finance Committee met prior to the Board meeting and they recommend approval for STA Items C-1 through C-5, STPA Items PC-1 through PC-5

Mr. Ross Gotthoffer, from Keefe McCullough CPA accounting firm gave the audit findings to the Board. Mr. Gotthoffer thanked the Board for allowing Keefe McCullough to be your independent auditors for both SouthTech Academy and SouthTech Preparatory Academy. He said that he went through the audit with the Finance Committee and they approved everything and he said that on the audits, they issued the highest level of assurances and that the audit went very smoothly. They had no disagreements with management, all transactions were recorded in the proper period, and there were no issues at all. Mr. Heller asked the Board if they had any questions, nor did anyone from the floor.

8A. Superintendent's Report: Mr. Kidd distributed the School Safety Assessment for both the STA and STPA school campus to the Board members and to Administration for compliance purposes.

Odyssey: Mr. Kidd said that Odyssey is still moving at a glacial pace. This week, we met twice with the Architect, and met with the contractors. The Project Manager on the job spent three hours with us last Tuesday. Mr. Kidd said he feels good about working with the people representing the District. They will begin to hold weekly meetings every Wednesday, so perhaps the plans will accelerate some. Some of the staff went to Odyssey this week to look at the office space. This is one of the most important phases of the construction and requires a lot of Mr. Kidd's time, but what is put on paper now will convert to brick and mortar.

Charter Negotiations: There is still no set date for negotiations on the three charters that are outstanding, but Mr. Kidd and Mr. Boggess had a teleconference with Attorney Shawn Arnold and they will push harder to get those things in place.

Tax Referendum: Mr. Kidd spoke briefly on the tax referendum, mentioning that State law will entitle charter schools a proportionate share in it. State law says unequivocally that charter school students will be funded identically with any other public school students. He said that there are two places in the law that entitles us to that money. It could mean over a million dollars for our students over a four-year period.

SouthTech Preparatory facility: Mr. Kidd said that the SouthTech Preparatory charter is up for its ten-year renewal and will need a facility. We were over a barrel when we signed the initial lease, because the school was going to open within two weeks. We got a good deal the first, second and third years, but this year the lease price has risen considerably and there are two years remaining. Mr. Kidd told his Business Department that once the audit is behind us, and it now is, that we need to identify someone who is willing to get Prep into a facility. It may be the same one and we may end up buying it. Mr. Kidd wants us to be ready to be somewhere permanent. He told Mr. Flah that he may want to get involved on that phase of it. We do have a Facilities Committee and he told Mr. Flah, that if he would like to volunteer for that, it would be appreciated. We have had a couple of people offering to provide financing and land, and they were anxious to work with us. However,

September 20, 2018 Minutes of the Governing Board/SAC/Founding Board Meeting Page 2

with grants and other things that we were experiencing, so we postponed moving on it. We now have Ginger on board, and doing an excellent job, freeing Kathy up to work on the federal grants, and Tonya is also doing a great job, and we have the audit behind us. Mr. Kidd told them to get ready and roll up their sleeves, because he wants to get this settled within two years.

8B. Deputy Superintendent's Report: Mr. Boggess said that as a staff, they are going to consolidate the way the information is presented to the Board, and tie everything they talk about to the Strategic Plan. There are four strategic point, Continuous School Improvement, Program Expansion, Facilities Improvement/Growth and Government Relations.

Continuous School Improvement: There are three pieces we want to highlight to you. One is the weekly Leadership Huddle, which some schools call the Admin Meeting, where you meet to call the plays for that week and then execute them. Since we reconvened after the summer on July 16th, we have been focusing on three key points, which all go back to our mission statement. Then there is the bottom line question for the Superintendent all the way to school counselors, principals, teachers, staff, all need to know this. At the end of the day, this is what we ask: Is this good for kids? When you are dealing with a difficult scenario or situation, leadership needs to be asking ourselves that question, and if it is not, pause, stop and ask another fellow leader to help you with it. This mantra for SouthTech Schools was already here, but we have now formalized it. Another piece for those huddles is being purposeful, being present, and being positive. Lastly, a key piece of who we are in leadership and how we lead. Here at SouthTech, we lead with two words - love and grace. Those two words would take a lifetime to fully understand, but they are what we want to show not only to our students and to our staff on a daily basis. Another aspect that is instrumental in Continuous School Improvement is what we have created as Motivational Mondays at SouthTech Academy and Morning Meetings at SouthTech Prep. It is an allotted amount of time where our teachers and staff work with students on character, integrity, the idea of ethics and values, putting another before yourself. Those are pieces that tie back to our Mission Statement in productive citizenship, so now we allocate time and have a formulated way of implementing those pieces into our schools. Lastly, to Mr. Kidd's point of safety and security on our campuses, both schools and the Adult Ed program have run Code Red drills and Crisis Response meetings, so those things are up to date and our schools are safe and secure as they should be.

Program Expansion: Our system of schools is preparing a career and college-ready student and we are moving toward our goal of becoming a K-20 System in Palm Beach County. Ms. Shawna Scott has built a Memorandum of Understanding with Florida Atlantic University in the CARD Program. It is innovative and is bringing in other post-secondary opportunities for our kids in the focus of Mentor/Menteeship. We had our first Homeless Education Brunch this morning, engaging our community to better serve our students. We are also looking for opportunities with the PASS Program, a Statewide matching grant opportunity, where we take private dollars that we received last year in the amount of \$20,000 for the next three years, and we are doubling that, should we be granted it. Steve Kozak has spearheaded that and we will find out in the next few months what that will look like. Mr. Messmer has taken over the leadership of the Florida Plumbing and Backflow, which is now an internal program for Adult Ed.

Facilities Improvement and Growth: We have made a great relationship with the Ed Morse Corporation and they have donated two cars to our program, a 2003 Honda Passport and a Chevy Astro Van.

Government Relations: Mr. Boggess met with Congressman Brian Mast and they spoke about what the landscape of public education looks like, not only for now, but in the future. SouthTech Schools is shaping what that could like for the nation. We have been working hard on the SouthTech Schools Summit on November 15. You will be receiving the invitation shortly. The U.S. Department of Education Dr. Michael Wooten, Assistant Secretary to Betsy DeVos for Career and Technical Education will be the keynote speaker. We have also spoken with Kiwanis Club of Delray Beach, building relationships there, and lastly, Leadership of Palm Beach County Executive Director, trying to better plug us in the apprenticeship/internship opportunities.

8C.High School Principal: Mrs. Turenne spoke on the plan to Stay an A the Bulldog Way, and they kicked it off with Motivational Monday, the second Monday of school, and we have been building a lot of positive momentum

September 20, 2018 Minutes of the Governing Board/SAC/Founding Board Meeting Page 3

with our students from day one. The Friday prior to that, we held a Graduation-ready Senior Social, where we recognized the seniors who have their graduation requirements met. We continued with the students who completed the Summer Enrichment Reading Project. We had some students who finished five books with the associated course work and we had 17 students who read up to 11 books and we rewarded them with SouthTech swag and Life shirts. We are celebrating the students' success, so they see that the more that they put into their academies and their academics, the more they will see the rewards. School safety is of extremely important and at SouthTech Academy, we have had two fire drills, one Code Red and one Tornado Drill, and Mrs. Turenne has heard that each time we do one of the drills, we are doing them faster than in the past, which is good for The School Improvement Plan is underway and the SISC will look at that next continuous improvement. month. In Program Expansion, we started after-school tutorials earlier than ever before, having ELA and Math tutoring Monday through Thursday, and we are able to get healthy snacks three days per week, and also doing the pizza one day per week. Tutoring is growing and we had a record 32 students this week. With our Advanced Placement efforts, on October 11, two of our Assistant Principals will participate in a webinar that explores new resources and annual processes for 2019-2020 for college board. We will be accessing a new program named Albert Resources. For Facilities Improvement/Growth, we have a new tent for our Friday on the Lawn (SouthTech Life Friday) event, and it shows the names of all of the SouthTech schools. The next event will be on September 28. Chef O'Neil was on WPTV with one of our students for Cuban Sandwich Day, demonstrating how to make a Cuban sandwich. Corporal Burt Richards donated \$1,000 to four SouthTech students, who wrote winning Scholarship essays on American Government. Students, Board members and Administrators celebrated with a luncheon in the Culinary Academy.

- 8D. Middle School Principal: Mrs. Handy spoke to the Continuous School Improvement at Prep, she wanted to go further into the Morning Meeting concept, which addresses the social, emotional learning needs of our students, and it is a way for us to build on that important adult and peer to peer trust relationship. The student-teacher relationship is one of the largest factors in student academic achievement. So we also address the student academic needs. We are also rolling out the after-school tutorial, which begins next month for students who are struggling. Next week we start our "Start with Hello" week, and we have joined the Sandy Hook Promise and will be doing an activity every day to encourage our students to reach out to those students who tend to sit by themselves or who do not have as many friends. On Thursday, we will have a STP Mingles during lunch, so that the students will be interacting with new peers, using planned activities. On Wednesday, it is "Bring Your Dad to School Day". For Facilities Improvement/Growth, we are converting our Bulldog Bistro Lounge into a Makerspace Lab. This year, we are initiating our first Parent Organization. We have a group of parents that are organizing a PTO to support SouthTech Prep. For Government Relations, we have tasked all staff members to reach out to their personal contacts for possible business sponsorships and to provide that information to Mr. Kozak
- 8E. SouthTech Success Center Principal: Mr. Harvey thanked everyone for the opportunity to speak. In light of the fact that the school is not in motion yet, there is nothing to report under Continuous School Improvement and Program Expansion. They have been working to establish the academy logo, which will be very consistent with the theme that is established with the other schools. That should be coming within the next couple of weeks. Creating identity is important in the marketing process. We have been working narrative and with some of the verbiage with which to speak to the public and other educators about the Success Center, so that when we speak to someone, we will all be speaking the same language. This is an important piece from the marketing standpoint, working closely as a team to develop and procure those components. With Facilities Improvement, we are looking to specifically establish some of the logistics that we will be challenged with, looking at the opening of our program at the new facility on Woolbright seeing that the facility will not be ready for the school to open. We have been working to establish some clarity to some of those logistics problems. We are definitive in our plan to open next Fall of 2019 with the program here on the SouthTech campus, and we are taking steps to finalize that. Along with that, the application process, which sounds simple, but it is more complicated than just saying to the student, come and apply. In the area of Government Relations, Mr. Harvey said that he has been

September 20, 2018 Minutes of the Governing Board/SAC/Founding Board Meeting Page 4

working with both Shawna Kingsley and Julie Williams to try to identify the resources that he would have access to and to put him in touch with some of those people at the District. Not only are they extremely knowledgeable, but they are extremely connected. He said that he went to Children's Services Council and established immediately four or five connections local agencies that could be a tremendous source to us as we move forward. He said that the difficulty that he always had with working with agencies is their follow through, and hopefully, with Ms. Williams' insight, he will be able to get a significant contribution. Mr. Harvey said that he has had the benefit of working as a Building Principal for 20 years in four different high schools, three of which were high-achieving schools in Pennsylvania, and he has been so overwhelmingly impressed with what has happened here in the first month of school. He has been here now one month to see the dynamics and inner workings of the administrative staff, but also the teachers, the support staff, the people in the Business Office, the custodial support, and what is going on here is nothing short of exemplary. He told them that they are tremendous in what they are doing, and when you look at the younger people coming on board, and the contributions that they are already making, and it has only been a month, he congratulated Mr. Kidd saying, "You have great things going on here".

- 32. Approval of Each Pulled Item (Item-by Item) Introduction by Chairperson: N/A
- 33. Board Comments:

Ms. Heinz thanked everyone for what they are doing - a great job and that she is happy and honored to serve on the Governing Board. She also said that she hopes the Facilities Committee will meet soon and get out from under the lease Prep is on. She volunteers to help in any way with that as she has her Commercial Real Estate resources.

Mrs. Nicolini commented that she was present for the recent Code Red drill, and when they met with the police previously, they suggested the do the Code Red without advanced notice. She asked if we are planning on doing that? Mrs. Turenne responded, "Baby steps", and we will do that eventually. Mrs. Nicolini said it has been a great start of the year and we have all been busy doing everything, and it is working.

Mr. Feldman said he was glad to see the CARD agreement and he asked if we were doing anything with the mentoring for Prep or is it only for the high school. Mrs. Kingsley said that right now, it is just for the high school for the ASD (Asperger Symptom Disorder) population and they have given us another opportunity to expand some.

Mr. Dunson commended Mr. Kidd, Mr. Boggess and Mrs. Turenne for the Scholarship luncheon held on Tuesday with Corp. Burt Richards to present scholarships to four students. It was very well done and the lasagna was great.

Mr. Heller complemented the staff and the students on moving ahead. He also thanked the Business Office and those who helped, Ginger, Kathy and Tonya in getting the audits done and doing them well. It is the second year in a row that we have had a very successful audit without any issues. Thank you.

Ms. Edmond thanked everyone in getting everything going in the beginning of the year. At SouthTech Prep, administration is welcoming and everything she sees coming into the school, and she mentioned Tony Principe in particular, who is doing a great job, watching everyone coming in, parents, any suspicious parents, so it is just a testimony.

Mr. Flah thanked everyone for all they are doing. He was happy to hear about the PASS Program with Elaine Lipton. The Homeless Breakfast idea is phenomenal and he is proud that we have done that. The luncheon with Corp. Richards was great, the food was wonderful, and his stories were spectacular.

Mr. McKoy asked if we have identified homeless students in the school and Ms. Williams responded that right

now, we have eleven, eight at the high school and three at the middle school. There are more that have said they might be homeless, but we have to investigate to see if they meet the criteria. Many of them are in shared housing situations. Some have said they are in a shelter/motel type situation. Mr. McKoy said that they do have some type of shelter. He would address the further later.

Mrs. Baize thanked everyone for what they do, especially Mr. Kidd. She said that she has been on the Board for a long time and has the school blossom tremendously. Mrs. Baize said that the Motivational Monday thing is just amazing, because we need people to realize that people are going through things and that we need to have more empathy. She mentioned how important connecting with students on a personal basis is. She knows from having had her children attend SouthTech, this has been going on the whole time. Everyone at the school knew her kids, for good or for bad. She said that her sons, Matthew and Joey, and her daughter, Katie still talk about the teachers at SouthTech. The kids are more apt to come to the teachers to tell them about a problem they may be facing, so the connecting is really important.

Mr. Kidd told the Board members that he does realize that some of them have jobs and are busy, and he appreciates all they volunteer to do, but if they get a chance, he would like to challenge them to get involved in an exercise called Scavenger Hunt, that Mr. Boggess had the staff do. The results were phenomenal. Mr. Kidd believes they would enjoy it.

Mr. Boggess mentioned a couple of the ten things on the list, such as, take a selfie with a student doing the Bulldog way; watch an academy teacher do what they do best, etc.\

Mr. Bloom asked Barbara to mail the Board members the list.

SouthTech Charter Academy, Inc. Board Policy 1.02

GOVERNING BOARD

The By-laws of SouthTech Charter Academy, Inc. specify that the Governing Board of SouthTech Charter Academy, Inc. be no less than nine (9) members and no more than fifteen members (15). These limits may be changed by revising the By-laws. The By-laws also specify that members are elected for a period of three (3) years, with one-third of the members elected each year. There are no term limits specified. To accomplish staggered terms, The Founding Board established terms defined below at it's meeting of October 16, 2003. Board members elected subsequent to that meeting assume the term of the Board member they replaced.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Charter Academy, Inc.

Agenda Item C-1

Motion:

I recommend that the Board approve and ratify the monthly Charter school bank account reconciliation for month ending August 31, 2018 as required by the Sponsor.

Summary Information:

The Charter school is required to submit to the Sponsor district several financial documents on an ongoing basis. Monthly bank reconciliations are one such requirement.

The Charter school maintains several accounts in order to maximize the earnings potential of the funding provided while maintaining liquidity to meet day-to-day operations. Review of these accounts takes place on a daily basis by the Charter business staff. Monthly reconciliations are performed as good accounting practice and published here to fulfill Sponsor requirements.

If your account does not balance please check the following carefully:

Have you entered the amount of each check in your checkbook register?

Are the amounts of your deposits and other additions entered in your checkbook register the same as those on this statement?

Have you checked all additions and subtractions in your checkbook register?

Have you carried the correct balance forward when starting a new page in your checkbook register?

IN CASE OF QUESTIONS OR ERRORS ABOUT YOUR STATEMENT: PLEASE CALL (TOLL FREE) 1-877-779-BANK (2265) OR WRITE US AT:

BankUnited Operations / EFT Error 7815 NW 148th ST. Miami Lakes, FL 33016

For Consumer Customers Only

Please contact us if you think your statement is wrong or if you need additional information about a transaction. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number.
- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need further information.
- 3. Tell us the dollar amount of the suspected error.

You may be required to put your request in writing. We will investigate your complaint and will correct any error promptly.

For Electronic Funds Transfers, if we take more than 10 business days to investigate and correct the error, (20 business days if you are a new customer for electronic funds transfers occurring during the first 30 days after the first deposit is made to your account), we will recredit your consumer account for the amount you think is in error (plus interest if your account earns interest), so that you will have the use of the money during the time it takes us to complete our investigation.

For Substitute Checks, if we take more than 10 business days to investigate and correct the error, we will recredit your consumer account for the amount of loss up to the lesser of \$2,500.00 (plus interest if your account earns interest) or the amount of the substitute check. If your account is new (30 days from the date your account was established), has been subject to repeated overdrafts, or we believe the claim is fraudulent, we may delay the availability of recredited funds until we determine the claim is valid or until the 45th day after the claim was submitted.

If your account does not balance please check the following carefully:

Have you entered the amount of each check in your checkbook register?

Are the amounts of your deposits and other additions entered in your checkbook register the same as those on this statement?

Have you checked all additions and subtractions in your checkbook register?

Have you carried the correct balance forward when starting a new page in your checkbook register?

IN CASE OF QUESTIONS OR ERRORS ABOUT YOUR STATEMENT: PLEASE CALL (TOLL FREE) 1-877-779-BANK (2265) OR WRITE US AT:

BankUnited Operations / EFT Error 7815 NW 148th ST, Miami Lakes, FL 33016

For Consumer Customers Only

Please contact us if you think your statement is wrong or if you need additional information about a transaction. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number.
- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need further information.
- 3. Tell us the dollar amount of the suspected error.

You may be required to put your request in writing. We will investigate your complaint and will correct any error promptly.

For Electronic Funds Transfers, if we take more than 10 business days to investigate and correct the error, (20 business days if you are a new customer for electronic funds transfers occurring during the first 30 days after the first deposit is made to your account), we will recredit your consumer account for the amount you think is in error (plus interest if your account earns interest), so that you will have the use of the money during the time it takes us to complete our investigation.

For Substitute Checks, if we take more than 10 business days to investigate and correct the error, we will recredit your consumer account for the amount of loss up to the lesser of \$2,500.00 (plus interest if your account earns interest) or the amount of the substitute check. If your account is new (30 days from the date your account was established), has been subject to repeated overdrafts, or we believe the claim is fraudulent, we may delay the availability of recredited funds until we determine the claim is valid or until the 45th day after the claim was submitted.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Charter Academy, Inc.

Agenda Item C-2

Motion:

I recommend that the Board approve and ratify the Charter school monthly Disbursement Reports for the month ending August 31, 2018 as required by the Sponsor.

Summary Information:

The Charter school is required to provide several financial documents on an ongoing basis. Monthly records of disbursements are a requirement that must be provided by the President to the Board.

The Charter school maintains several accounts in order to maximize the earnings potential of the funding. Each school account is listed separately along with a disbursement record of activity. Disbursements are made by warrant, wire transfer, account transfer and use of direct debit card. Processing of disbursements takes place on a daily basis by the Charter business staff. All disbursements are reviewed and approved by the President. All warrants have two signatories.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Charter Academy, Inc.

Agenda Item C-3

Motion:

I recommend that the Board approve and ratify the monthly financial statements for month ending August 31, 2018 required by the Sponsor.

Summary Information:

The State statutes and the Palm Beach County School District require charter schools to provide financial statements on a monthly basis in the format that School Districts are required to follow. This format is prescribed by the Governmental Accounting Standards Board (GASB).

The monthly statements include:

- 1. Statement of Revenues, Expenditures and Changes in Fund Balance Budget to Actual
- 2. The combined Statement of Revenues, Expenditures and Changes in Fund Balance
- 3. A Combined Balance Sheet All Fund Types

Quarterly, a Statement of Net Assets is also required. This is provided in March, June, September and December.

Attachments: Monthly Financial Statements

Presented By:

Jim Kidd, Superintendent

GOVERNING BOARD

The By-Laws of South Tech Preparatory Academy, Inc. specify that the Governing Board of South Tech Preparatory Academy, Inc. be no less than nine (9) members and no more than fifteen (15) members. These limits may be changed by revising the By-laws. The By-Laws also specify that members are elected for a period of three (3) years, with one-third of the members elected each year. There are no term limits specified.

To accomplish staggered terms, The Founding Board established terms defined below at its meeting of July 30, 2012. Board members elected subsequent to that meeting assume the term of the Board member they replaced.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Preparatory Academy, Inc.

Agenda Item PC-1

Motion:

I recommend that the Board approve and ratify the monthly Charter school bank account reconciliation for month ending August 31, 2018 as required by the Sponsor.

Summary Information:

The Charter school is required to submit to the Sponsor district several financial documents on an ongoing basis. Monthly bank reconciliations are one such requirement.

The Charter school maintains several accounts in order to maximize the earnings potential of the funding provided while maintaining liquidity to meet day-to-day operations. Review of these accounts takes place on a daily basis by the Charter business staff. Monthly reconciliations are performed as good accounting practice and published here to fulfill Sponsor requirements.

If your account does not balance please check the following carefully:

Have you entered the amount of each check in your checkbook register?

Are the amounts of your deposits and other additions entered in your checkbook register the same as those on this statement?

Have you checked all additions and subtractions in your checkbook register?

Have you carried the correct balance forward when starting a new page in your checkbook register?

IN CASE OF QUESTIONS OR ERRORS ABOUT YOUR STATEMENT: PLEASE CALL (TOLL FREE) 1-877-779-BANK (2265) OR WRITE US AT:

BankUnited Operations / EFT Error 7815 NW 148th ST, Miami Lakes, FL 33016

For Consumer Customers Only

Please contact us if you think your statement is wrong or if you need additional information about a transaction. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number.
- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need further information.
- 3. Tell us the dollar amount of the suspected error.

You may be required to put your request in writing. We will investigate your complaint and will correct any error promptly.

For Electronic Funds Transfers, if we take more than 10 business days to investigate and correct the error, (20 business days if you are a new customer for electronic funds transfers occurring during the first 30 days after the first deposit is made to your account), we will recredit your consumer account for the amount you think is in error (plus interest if your account earns interest), so that you will have the use of the money during the time it takes us to complete our investigation.

For Substitute Checks, if we take more than 10 business days to investigate and correct the error, we will recredit your consumer account for the amount of loss up to the lesser of \$2,500.00 (plus interest if your account earns interest) or the amount of the substitute check. If your account is new (30 days from the date your account was established), has been subject to repeated overdrafts, or we believe the claim is fraudulent, we may delay the availability of recredited funds until we determine the claim is valid or until the 45th day after the claim was submitted.

If your account does not balance please check the following carefully:

Have you entered the amount of each check in your checkbook register?

Are the amounts of your deposits and other additions entered in your checkbook register the same as those on this statement?

Have you checked all additions and subtractions in your checkbook register?

Have you carried the correct balance forward when starting a new page in your checkbook register?

IN CASE OF QUESTIONS OR ERRORS ABOUT YOUR STATEMENT: PLEASE CALL (TOLL FREE) 1-877-779-BANK (2265) OR WRITE US AT:

For Consumer Customers Only

Please contact us if you think your statement is wrong or if you need additional information about a transaction. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- 1. Tell us your name and account number.
- 2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need further information.
- 3. Tell us the dollar amount of the suspected error.

You may be required to put your request in writing. We will investigate your complaint and will correct any error promptly.

For Electronic Funds Transfers, if we take more than 10 business days to investigate and correct the error, (20 business days if you are a new customer for electronic funds transfers occurring during the first 30 days after the first deposit is made to your account), we will recredit your consumer account for the amount you think is in error (plus interest if your account earns interest), so that you will have the use of the money during the time it takes us to complete our investigation.

For Substitute Checks, if we take more than 10 business days to investigate and correct the error, we will recredit your consumer account for the amount of loss up to the lesser of \$2,500.00 (plus interest if your account earns interest) or the amount of the substitute check. If your account is new (30 days from the date your account was established), has been subject to repeated overdrafts, or we believe the claim is fraudulent, we may delay the availability of recredited funds until we determine the claim is valid or until the 45th day after the claim was submitted.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Preparatory Academy, Inc.

Agenda Item PC-2

Motion:

I recommend that the Board approve and ratify the Charter school monthly Disbursement Reports for the month ending August 31, 2018 as required by the Sponsor.

Summary Information:

The Charter school is required to provide several financial documents on an ongoing basis. Monthly records of disbursements are a requirement that must be provided by the President to the Board.

The Charter school maintains several accounts in order to maximize the earnings potential of the funding. Each school account is listed separately along with a disbursement record of activity. Disbursements are made by warrant, wire transfer, account transfer and use of direct debit card. Processing of disbursements takes place on a daily basis by the Charter business staff. All disbursements are reviewed and approved by the President. All warrants have two signatories.

Board Meeting October 11, 2018

Governing Board of Directors SouthTech Preparatory Academy, Inc.

Agenda Item PC-3

Motion:

I recommend that the Board approve and ratify the monthly financial statements for month ending August 31, 2018 required by the Sponsor.

Summary Information:

The State statutes and the Palm Beach County School District require charter schools to provide financial statements on a monthly basis in the format that School Districts are required to follow. This format is prescribed by the Governmental Accounting Standards Board (GASB).

The monthly statements include:

- 1. Statement of Revenues, Expenditures and Changes in Fund Balance Budget to Actual
- 2. The combined Statement of Revenues, Expenditures and Changes in Fund Balance
- 3. A Combined Balance Sheet All Fund Types

Quarterly, a Statement of Net Assets is also required. This is provided in March, June, September and December.

GOVERNING BOARD

The By-laws of SouthTech Success Center, Inc. specify that the Governing Board of SouthTech Success Center, Inc. be no less than nine (9) members and no more than fifteen members (15). These limits may be changed by revising the By-laws. The By-laws also specify that members are elected for a period of three (3) years, with one-third of the members elected each year. There are no term limits specified. To accomplish staggered terms, the Founding Board established terms defined below at it's meeting of October 16, 2003. Board members elected subsequent to that meeting assume the term of the Board member they replaced.

SOUTHTECH CHARTER ACADEMY, INC. SAC CONSENT AGENDA October 11, 2018

School Improvement Steering Committee Report – *Committee Chair*

- I recommend that the School Advisory Council (SAC) approve the 2018-2019 School Improvement Plan (SIP), as recommended by the School Improvement Steering Committee.
- I recommend that the School Advisory Council (SAC) approve the 2018-2019 Parent and Family Engagement Plan, as recommended by the School Improvement Steering Committee.

Board Meeting October 11, 2018

Governing Board of Directors/SAC SouthTech Charter Academy, Inc.

Agenda Item D-1

Motion:

I recommend that the School Advisory Council (SAC) approve the 2018-2019 School Improvement Plan (SIP), as recommended by the School Improvement Steering Committee.

Summary Information:

The SIP is used as a vehicle to set high expectations for teaching and learning. It is the central document used during quality assurance reviews for earning and maintaining accreditation status. Accordingly, the plan is a "living and breathing" document that should always reflect accurate conditions and the time-sensitive needs of the school.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement

SouthTech Academy's core mission is to graduate students prepared for work, higher education, and productive citizenship.

Provide the school's vision statement

SouthTech Academy has a legacy of service and a history of success. As an Area Vocational/Technical Center a reputation was established. The local economy was strengthened as adults and high school students cycled through programs and entered the workforce. Local politics diverted those programs away from SouthTech in 1998, and the school began a three-year transformation into a Career Academy Center that provided academics and career training for high school students during the day and career enhancement training for adults after the high school day ended. During FY03 the District decided to close SouthTech at the end of FY04.

In late FY03, the School Advisory Council, Principal, Staff, Students, and Parents decided that the school's value to students and the community at large more than justified whatever investment was needed for redemption. Florida Statutes provide a process for converting a District school to a charter school. The process required several months of time and a great deal of work, but allows a conversion charter school to operate under a local governing board under the control of State statutes, but free of District policy. A Founding Board of dedicated individuals was formed, community and business support was recruited, and South Technical Community High School was effectively converted to SouthTech Charter High School on July 1st 2004. SouthTech Academy became our new name effective July 1, 2005.

As a charter school, SouthTech is unique in several ways. The Career Academy concept has been retained and will be expanded into additional high wage/high demand areas in the future. Continual emphasis will be placed on increasing academic excellence while providing state-of-the-art career education. Adult programs have also been retained and will be expanded into additional community services, distance learning, and other creative methodology directed toward enhancing services while supporting the workforce and, in turn, the economy.

SouthTech is postured to become a national model. A part of this posturing may be attributed to the unique nature of programs, but the level of dedication that exists among members of the Board and staff, the level of support from parents, students, and the community, and the huge demand for SouthTech's product assures the organization that significance as a national model is both realistic and attainable. The goal of SouthTech Academy is to convert the possibility of national educational significance into reality. The key to achievement of the goal is excellence. The vision focuses on production of educational excellence that justifies and deserves national acclaim. Leadership seeks to enable the existing dedication and high levels of available support to attain optimum results. At the high school level, optimum results develop students prepared for work, higher education, and productive citizenship.

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

The lowest performing component is ELA with 37% learning gains in the lowest 25%. This is a trend as ELA seems to perform the lowest compared to other accountability areas.

Which data component showed the greatest decline from prior year?

ELA lowest 25% was the lowest performing subgroup with 37% of students achieving learning gains compared to 46% the previous year.

Which data component had the biggest gap when compared to the state average?

Science and Math outperformed the state. Math and Science Achievement both outperformed the state average by more than 13%.

Which data component showed the most improvement? Is this a trend?

Math Achievement showed the most improvement in achievement level by 15%. This is a trend as Math Achievement has increased over the last three years.

Describe the actions or changes that led to the improvement in this area

New leadership, new technology programs, targeted after school tutoring, and an increase focus on student data attributed to this improvement.

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

Activity #1							
Title	To ensure progress towards obtaining industry certifications for the 2018-2019 senior class.						
Rationale	For the school year of 2017-2018, 98% of our senior class earned an industry certification in our career and technical academies. As a school, we feel like we can improve in this area. By improving in this area, our seniors will leave SouthTech with a skill that will make them desirable in the workforce.						
Intended Outcome	By May 2019, 99% or more of the 2018-2019 class will have earned at least 1 industry certification through the career and technical academies.						
Point Person	Eileen Turenne (eileen.turenne@palmbeachschools.org)						
Action Step							
	-Students will be immersed in rigorous tasks to best prepare them for the CTE curriculum and industry certification exams.						
Description	-Academy Instructors will review data from the career and technical skills assessments and revise CTE curriculum to ensure that essential skills are being taught to a mastery level.						
	-Teachers will utilize strategies that engage all students more actively in learning.						
	-Career and technical students will have access to practice exams prior to taking exams.						
Person Responsible	Joshua Wigelsworth (joshua.wigelsworth@pbcharterschools.org)						
Plan to Monito	or Effectiveness						
	-Classroom visits and teacher observations will be used to monitor CTE curriculum and delivery of instruction.						
Description	-Senior students in need of an industry certification will be identified and put on a path to achieve a certification.						
	-Industry certifications will be kept track of to prove effectiveness of goal.						
Person Responsible	Joshua Wigelsworth (joshua.wigelsworth@pbcharterschools.org)						

	,					
Activity #2						
Title	To ensure increased learning gains in the lowest 25% in both Math and ELA.					
Rationale	The Lowest 25% is the lowest performing component for both Math and ELA. ELA showed the greatest decline from 2017 to 2018 while Math showed no change from the previous year.					
Intended Outcome	Improve Lowest 25% learning gains by 3% as compared to last year.					
Point Person	Katie Spitzig (katie.spitzig@pbcharterschools.org)					
Action Step						
Description	SouthTech Academy has established a Single School Culture and appreciation for multicultural diversity and will infuse the content required by Florida Statute 1003.42(2) and S.B. Policy 2.09. * Students will continue to be targeted for after school tutorials in both Reading and Math. (Sonara/Julien) * Students will participate in targeted small group pull-outs for support. (Sonara/Julien) * Students will use Imagine Math for math support. (Nicole Julien) * Students will use Reading Plus for reading support. (Jacqueline Sonara) * AmeriCorps volunteers will work with students in pull-outs and push-ins for support. (Sonara) * Teachers will incorporate UDL model for differentiated instruction to meet the needs of the students. * Teachers will participate in PLCs such as Content Area Reading to learn new strategies to reach students. * Recruitment and retaining of highly-effective instructors in both Math and ELA.					
Person Responsible	Katie Spitzig (katie.spitzig@pbcharterschools.org)					
Plan to Monito	or Effectiveness					
Description	Instructional Coaches will monitor student progress and attendance/participation in support services. Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Palm Beach - 1571 - South Tech Academy - 2018-19 SIP South Tech Academy

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students

As stated in SouthTech's 2017-2018 Best Practices for Inclusive Education (BPIE), SouthTech is emphasizing community involvement, along with collaboration among ESE support instructors, academic instructors, academy instructors, administration and families.

SouthTech will continue to increase parent involvement in school activities and decision making during the 2018-2019 School Year. Thus far in FY19, a new student orientation was held on August 7, 2018 followed by Parent Night. Also on the schedule is the Title I Annual Meeting for parents. Parents and community members who attend SISC (School Improvement Steering Committee) meetings and Board meetings provide input on the school wide program. Additionally, SouthTech's Academies maintain Advisory Boards that are comprised of students, parents, and community members who offer guidance and direction for the academies. Information is regularly dispersed through e-mail distribution lists, ParentLinks, flyers, SIS Gateway, and southtechschools.org.

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The School-Based Team meets monthly to discuss students with barriers to academic and social success, and mentors are assigned to students with identified issues.

Check-in/Check-out, Check and Connect are utilized with students in need of positive adult interactions and positive feedback throughout the school day.

Instruction and various campus activities address social/emotional needs of students, and students are connected to cooperating agencies.

A comprehensive school counseling program has been developed and implemented with dedicated time to:

- (1) Assess the needs of the students and the barriers blocking their success (Data-Driven Decision Making),
- (2) Identify interventions that the research suggests works to remove the barrier to success (Evidence-Based Intervention), and
- (3) Evaluate your intervention and evolve (Evaluation).

Engage with identified staff (i.e. School Counselors, ESE staff, as well as the school-based team provide a differentiated delivery of services based on student/school need).

This includes core (classroom guidance, workshop, assembly), supplemental (solution focused small group counseling), and intensive supports (individual counseling/advisement, referral to community resources). SouthTech utilizes data-based decision making to close academic, social-emotional and college-career equity gaps by connecting all students with the services they need.

SouthTech has implemented Motivational Monday which will support social-emotional needs of all students. Each Monday, every teacher participates in a school-wide lesson during which each teacher engages students in a meaningful discussion after watching a positive news story. The end goal is to fulfill our mission statement of graduating productive citizens.

In addition to the other social-emotional support programs, all academy classes are also participating in

Palm Beach - 1571 - South Tech Academy - 2018-19 SIP South Tech Academy

MyCareerShines, a program which helps students develop workforce skills as well as a better understanding of being a productive and positive member of the community and the workforce.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

SouthTech Academy High School partners with SouthTech Prep Middle School by bringing middle school students to the high school campus and spending time in career laboratory settings.

All members of the school staff participate in collaborative learning communities that meet both informally and formally on a regular schedule. Collaboration occurs across grade levels, content areas, and feeder schools. Staff members implement a formal process that promotes productive discussion about student learning. School personnel can clearly link collaboration to improvement results in instructional practice and student performance.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

Our data-based problem solving process identifies students requiring academic, behavioral, social, or emotional interventions. As a team, we provide interventions that match the student's needs, monitor the progress, and make decisions about change. Depending on the success of the interventions, the team leader maintains a file for all referrals. Teachers offer support by differentiating instruction and guiding students to seek out tutoring.

The School-based Team (SBT) can help SouthTech students meet or exceed their academic and academy standards by giving students intervention.

SouthTech has hired two Academic Coaches--a Reading Coach and Math Coach. In addition, Americorps Teachers will provide tutoring for students before school, during lunch and after school. Also, transportation will be accessible for students who participate in extended day learning opportunities.

As family involvement is key in student achievement, over 10% of Title I funds are designated to keep parents informed. Open houses, parent workshops, meetings, the school newsletter, and SouthTech's website are some of the ways that parents are informed of activities and events.

Title III helps eligible limited English proficient and immigrant students obtain English proficiency and meet the same standards required for all students. Also, a certified ELL teacher works with struggling ELL students to provide additional tutoring via small group pull-outs during the school day.

In accordance with the McKinney-Vento Homeless Education Program, SouthTech provides immediate public school enrollment for students.

For FY19, SouthTech Academy has no identified homeless students. In the event that a student becomes homeless, the school counselor will coordinate with outside agencies to provide additional services and support.

SouthTech has implemented all measures mandated by the "Jeffrey Johnston Stand Up for All Students Act" and with Board policy 5.002 entitled "Prohibition of Bullying and Harassment."

SouthTech utilizes the School District's food service program, meeting all nutrition program guidelines.

Palm Beach - 1571 - South Tech Academy - 2018-19 SIP South Tech Academy

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

SouthTech Academy continuously promotes academic and career planning through large group counseling lessons. At least twice annually, all students receive information about academic and post secondary planning. Individual counseling is also used as a delivery method for academic and career planning. MyCareerShines and My College Quickstart are two web based programs that are utilized to promote college and career planning. Students are asked to take ownership in their course planning by applying what is learned in the large group and individual counseling lessons to their course selection each year. A college tour is scheduled for October 24-26, 2018, which will take 50 SouthTech upperclassmen to tour five college campuses.

In our career academy high school, every student who attends is enrolled in one of thirteen career academies. Students must satisfactorily complete their elective requirements for graduation, exclusively within their academies, and they may also earn occupation completion points and industry certification related to their academy field of study. Students may also participate in OJT.
