

Online Prepayments

School Cash Online has been designed to be an easy to use and efficient online payment system. You will have access to view lunch account balances, view details of items purchased (including ala carte items) and add funds to the account.

If your student has an account already established from a previous Palm Beach County School the students new school information will be updated and any available funds will be carried forward.

Below are the steps on how to create an account:

Log on to: palmbeach.schoolcashonline.com/

- Click on "Get Started Today"
- Complete the information requested. Once the information is complete you will receive an email notification that you are registered.

How to add funds to my student(s) account:

- Click on Meal Plan tab
- Enter the amount to be added in the meal plan field
- Click Add to Cart
- Click Checkout and review your order
- Click Continue and select your payment method
- Enter your payment details and click on Continue

Can each parent have a separate account?

Yes. School Cash Online was designed for parents, grandparents, guardians, etc. to have individual accounts. The student can be added to up to five different "parent" accounts.

Where do I obtain my Student ID?

A Student ID can be obtained from one of the following resources:

- Report cards
- Jupiter Grades

Do I need to re-register a student that moves to a different school within the same school district?

School Cash Online records are constantly updated so if a student moves to a different school within the same district, the student's information will be automatically updated.

Please note that the cashless school online is for lunch account access only.
